

## Product Data Sheet

### Detail Spray Non-Foaming

Watermelon Scented Detail Spray

#QUA01145

#### Features

- Watermelon Scent
- Works Instantly
- No Wiping Required
- Excellent for Hard to Reach Surfaces
- Brightens and Renews

#### Description

Watermelon Detail Spray is a clear, non-foaming watermelon scented dressing which provides a water-resistant high gloss shine. Brightens and renews any vinyl, rubber or plastic surface. Great for those hard to reach places. Use on tires, door seals, rubber bumpers, dash boards, door panels, A/C vents, etc. Takes care of all the final details fast, fast, fast. **Care should be taken when using on Tires. Do Not Get Spray on Brakes or Brake Pads.**

#### Applications

Use on all vinyl, rubber or plastic. Great for tires, door seals, rubber bumpers, dash boards, door panels, A/C vents and many more applications.

#### Directions

Shake can before use for approximately 30 seconds. Remove dirt, dust, oil and grease. Dry surface. Test spray on inconspicuous area or scrap piece to check compatibility. Hold can 8-10" from surface. Use a stroking pattern. Apply two or more lighter coats rather than one heavy coat. For best results spray at 70°F to 80°F. Polish surface, if desired, using a clean cloth after allowing spray to dry for a few minutes. Leaves your car with that showroom shine.
