SAFETY SOLVENT #QUA01151

Non-Flammable Fast Drying

Features

- Non-Flammable
- Fast Drying
- Dual Spray Valve
- Safe for Cleaning Energized Electrical Equipment
- 36,200 Dielectric Strength

Description

Quality Aerosols Safety Solvent is Non-Flammable and is extremely fast drying. It is a high power, non-conductive solvent that dissolves grease, oil, tar and other soils. Safety Solvent is residue free and contains no CFC's or ozone depleters, and is an accepted replacement for 1,1,1-Trichloroethane under the EPA SNAP program. Safety Solvent features a 36,200 volt dielectric strength combined with non-flammability making Safety Solvent safe on motors, generators, relays, and electrical controls even when equipment is in operation.

Applications

Safety Solvent is safe to use on all motors, generators, relays and controls even when the equipment is in operation.

Directions

Safety Solvent has a powerful jet stream action that reaches approximately 8 feet. Saturate parts to be cleaned. Air dry or wipe down. For heavily encrusted areas, brush, and then rinse off with a second application. Dual action valve allows you to use a pin point spray or a tight fan spray for ultimate cleaning applications.
