STAINLESS STEEL CLEANER #QUA01155

Cleans and Polishes

Features

- Cleans and Polishes
- Resists Fingerprints
- Preserves Factory Finish
- Easy To Use
- Restores Brilliance

Description

Quality Aerosols Stainless Steel Cleaner and Polisher cleans and polishes stainless steel and other metals without hard rubbing. Our Stainless Steel Cleaner and Polisher resists fingerprints, grease and water spatter. It also helps to preserve the factory finish.

Applications

Safe for use on all stainless steel and other metals such as brushed nickel, chrome, brushed stainless and other metals. Great for daily use and is biodegradable.

Directions

Shake can before use for approximately 30 seconds. Remove protective cap. Hold can upright. Spray a light mist over area to be cleaned. Allow to sit for 30 seconds. Wipe area with a dry soft cloth. Make sure that you spread the Cleaner and Polisher uniformly. Repeat process as needed.
