FABRIC CLEANER #QUA01162

Home, Auto, Boats, Trucks and Offices

Features

- Fresh Linen Scent
- No Vacuuming Required
- No Sticky Residue
- Non Toxic, Non-Flammable
- Safe For Stain Resistant Carpets

Description

Quality Aerosols Fabric Cleaner will not leave a sticky residue and there is no need to vacuum after cleaning. Fabric Cleaner is non-toxic, non-flammable, safe for stain resistant carpets and contains no fluorocarbons. Great for use on fabrics in the home, auto, boat, trucks and offices. Leaves a very fresh linen scent.

Applications

Applies to all fabrics from small throw rugs to the largest carpets. Not to be used on Haitian cotton or other fibers which contain specs of tar because the cleaner will dissolve the tar.

Directions

Shake can before use for approximately 30 seconds. **To Clean Fabric:** Spray directly onto fabric to be cleaned. Allow to penetrate. Blot with dry terry cloth, then with terry cloth dampened with water. NEVER RUB.

To Clean Automotive Upholstery: Always try in inconspicuous place to be sure fabric is color-fast. Spray on terry cloth applicator. Wipe onto upholstery. Dampen cloth with plain water and lightly wipe over car seats going edge to edge to keep fabric from circling.
