HVAC Cleaner & Deodorizer

QUA01163

Features

- Removes Mold, Mildew and Fungi
- Leaves Your Car Smelling Fresh
- Fast Acting with No Mess
- For Auto and Home Use
- Safe for Any System

Description

Auto HVAC Cleaner & Deodorizer contains strong detergents that clean away mold, mildew and fungi, the leading cause of odors emitted from the evaporator. It is safe for all A/C systems and will keep your car smelling fresh for a very long time. Auto HVAC Cleaner & Deodorizer is also great for your house air conditioner.

Applications

Works great with any HVAC system, either in your car or your home. It is safe for all A/C systems.

Directions

Shake can before use for approximately 30 seconds. Turn off car engine and use the parking brake. Snake the enclosed extension tube all the way into the center register vent. Spray the cleaner for ten seconds. Remove the tube and wait ten minutes until cleaning foam breaks down & drains through the air conditioner system out underneath the vehicle. If a black/green residue emerges underneath car, repeat the process until fluid runs clear. Turn on engine and run A/C on high for a few minutes. Repeat as needed.
