

Product Data Sheet

CARB & CHOKE CLEANER

Low Voc Compliant Product

#QUA01166

Features

- Highly Active Solvent Blend with Maximum Performance
- Does Not Contain Ozone Depleters
- No Chlorinated Solvents
- Dissolves Gum and Varnish
- Leaves No Residue

Description

Quality Aerosols Carb & Choke Cleaner allows cleaning without removing the carburetor. It is ideal for cleaning throttle, choke, plates, floats, carburetor bowls and fuel ports. This product is a highly active solvent blend that maintains maximum performance. Quality Aerosols Carb & Choke is a VOC Compliant product that does not contain ozone depleters and it quickly dissolves gum and varnish buildup in all carburetors.

Applications

Cleans great on throttles, chokes, plates, floats, carburetor bowls and fuel ports. Also does a great job in cleaning all of your tools.

Directions

Shake can before use for approximately 60 seconds. Remove cap and point the applicator towards the part to be cleaned. Spray the exterior of the carburetor prior to disassembling. Spray area to be cleaned, allow cleaner the time to dissolve gum and varnish. Re-spray to flush away hard to reach areas. Use care when using around gaskets & electrical components.

Product Specifications

Color	Clear
Odor	Solvent
Solids	N/A
pH	N/A
Specific Gravity	0.76
Physical State	Liquid
% VOC	10.0%
Evaporation Rate	>0.1
Boiling Point	56.0°C
Flash Point	Concentrate: >20°F Propellant -132.23°F
Storage	Store in a cool, dry, and well-ventilated area. Do not handle or store near open flame or other sources
Can Size	20 oz
Net Weight	12 oz
UPC Number	13964 55840
Spray Pattern	Pinpoint to Tight Cone Spray
Shelf Life	1 Year +
VOC Compliant CARB/OTC	Yes
Recyclable Packaging	Yes
Ozone Depleting Compounds	No
Transportation Information	
Class #	55
Proper Shipping Name	Consumer Commodity, ORM-D
NMFC	48580-3
Shipping Weight	12.50 lbs
Packaged	12 cans per case
