Description

Quality Aerosols "Punch" Heavy Duty Industrial Strength Foaming Degreaser is a very unique foaming clinging degreaser that can be used in many facets such as tools, machinery, industrial equipment, vent covers, parts, concrete and many other uses. The heavy foam is water soluble and contains heavy duty degreasing agents and detergents with a pleasant Citrus fragrance.

Applications

Safe for use on all tools, machinery, industrial equipment, vent covers, machinery parts, concrete, grease pits, condenser boxes and many other uses.

Directions

Shake can before use for approximately 30 seconds. Remove protective cap. Hold can upright. Spray directly onto surface that needs cleaning, wait for the foam to become discolored, this is an indication that the grease is being pulled away. Allow the foam to soak and penetrate grease for a few minutes, then flush with water. For extra greasy substrates repeat applications may be necessary.
