

# Product Data Sheet

**Q8450 Bulk Solvent Based Adhesive Remover**  
Industrial Grade, Aggressive Solvent Cleaner

Q8450 Bulk Solvent Based Adhesive Remover

## Features

- Aggressive Solvent Cleaner
- Great to Remove Adhesive Overspray
- Good on Painted Surfaces
- No Oily Residue, Great Lemon Scent

## Description

Quality Aerosols Q8450 Solvent Adhesive Remover is formulated as an industrial aggressive solvent cleaner, degreaser, and adhesive remover. It is safer than most other cleaner, degreaser and adhesiver removers. Q8450 can be used on almost all surfaces and substrates, including painted surfaces, glass, porcelain and concrete. It is compatible with plastics and vinyl. Q8450 leaves no oily residue.

## Applications

Q8450 is used to clean and degrease all types of surfaces and substrates. It leaves no residue.

## Product Usage

Q8450 Adhesive Remover is formulated as an industrial grade solvent cleaner, degreaser and adhesive remover. Apply directly on the surface to be cleaned and allow the Q8450 to sit on the surface for a few minutes. If there is heavy dirt or adhesive buildup use a brush to help get the Q8450 into the substrate for deep cleaning, degreasing, or adhesive removal. Wipe off the residue to finish cleaning the area.

## Storage

Store in a cool, dry, and well ventilated area. Do not handle or store near open flame or other heat sources. We recommend storing at or above 65°F. Bulk and canister products should be kept off the floor.
