Glass & Plastic Cleaner #QUA01147

Foaming Cleaner Works on Glass and Plastic

Features

- Thick Foam Cleaner Lifts Away the Toughest Soils
- Safe on All Surfaces Not Affected By Water
- Great on Mirrors, Windshields, Fairings & Showcases
- Ammonia Free
- Leaves No Film and is Streak Free

Description

Glass and Plastic Cleaner is a thick foaming cleaner that lifts away the toughest soils. Glass and Plastic Cleaner is safe on most surfaces not affected by water. Use on windows, mirrors, windshields, showcases, acrylics, video screens, plastic laminates, chrome, tile, enamel, stainless steel and many painted surfaces.

Applications

Safe on surfaces not affected by water. Use on windows, mirrors, windshields, showcases, acrylics, video screens, plastic laminates, chrome, tile, enamel, stainless steel and other painted surfaces.

Directions

Shake can before use for approximately 30 seconds. Remove protective cap. Hold can upright. Point valve opening towards the area to be cleaned. Hold can 8 to 12 inches away. Press actuator and spray on a fine mist and then wipe clean. Polish with a clean dry cloth.
