

Product Data Sheet

FOAMING COIL CLEANER

Water-Based Formula

#QUA01150

Features

- Water-Based Formula
- Safe and Self Rinsing
- Will Not Harm Drain Pans
- Easily Removes Dirt
- Pleasant Lemon Scent

Description

Quality Aerosols Foaming Coil Cleaner is a heavy duty foam detergent coil cleaner in the convenience of an aerosol can. For use on most coils such as window air conditioners, central HVAC units, auto radiators, condensers, evaporator coils, and metal filters. Product can be sprayed from any position while the stream easily reaches into tight areas. The aggressive detergent quickly and easily liquefies dirt, grease, oil or other residue and deposits. Fortified with corrosion inhibitors to prevent metal degradation. This product will not harm drain pans.

Applications

Used for cleaning most coils such as window air conditioners, central HVAC units, auto radiators, condenser and evaporator coils, metal filters, filter housings and carriages.

Directions

Turn off or disconnect power to unit being serviced. Shake well. Remove cap & point toward surface to be cleaned. Avoid spraying on electrical wires or connections. Thoroughly saturate the targeted area with product. With this self-rinsing formula, the foam will break and condensation accumulation will completely rinse the emulsified material. However, you may wipe clean or rinse with water if desired or if using on non-condensation producing coil. For extremely stubborn or heavy deposits, repeat applications may be necessary.

Product Specifications

Color	Cloudy White
Odor	Lemon Scent
Solids	N/A
pH	13
Specific Gravity	0.93
Physical State	Liquid
% VOC	8%
Evaporation Rate	>1
Boiling Point	N/A
Flash Point	Concentrate: N/A Propellant: -132.23°F
Storage	Store in a cool, dry, and well-ventilated area. Do not handle or store near open flame or other sources
Can Size	20 oz
Net Weight	19 oz
UPC Number	13964 55860
Spray Pattern	Pinpoint Forceful Spray
Shelf Life	1 Year +
VOC Compliant CARB/OTC	Yes
Recyclable Packaging	Yes
Ozone Depleting Compounds	No
Transportation Information	
Class #	55
Proper Shipping Name	Consumer Commodity, ORM-D
NMFC	48580-3
Shipping Weight	17.75 lbs
Packaged	12 cans per case
