

Product Data Sheet

Q8250 Bulk Citrus Adhesive Remover

Industrial Grade, Natural Solvent Cleaner

Q8250 Bulk Citrus Adhesive Remover

Features

- Biodegradable
- Natural Solvent Cleaner
- Great to Remove Adhesive Overspray
- Good on Painted Surfaces
- Remove Residue with Water

Description

Quality Aerosols Q8250 Citrus Adhesive Remover is an industrial grade, biodegradable, natural solvent cleaner, degreaser and adhesive remover. It is safer than most other cleaners, degreasers, and adhesive removers. This product is offered in various delivery systems that allows for an even controlled application. Q8250 can be used on almost all surfaces and substrates, including painted surfaces, glass, porcelain, and concrete. It is compatible with many plastics and vinyl.

Applications

Q8250 is used to clean, degrease and remove adhesive from all types of surfaces and substrates.

Product Usage

Q8250 Citrus Cleaner is formulated as an industrial grade biodegradable and natural solvent cleaner, degreaser and adhesive remover. Apply directly on the surface to be cleaned and allow the Q8250 to sit on the surface for a few minutes. If there is heavy dirt or adhesive buildup use a brush to help get the Q8250 into the substrate for deep cleaning, degreasing, or adhesive removal. Wipe off the residue to finish cleaning the area.

Storage

Store in a cool, dry, and well ventilated area. Do not handle or store near open flame or other heat sources. We recommend storing at or above 65°F. Bulk and canister products should be kept off the floor.
