Clean & Shine

#QUA01058

Waterless Wash and Wax

Features

- Washes Vehicle Without Water
- Leaves A Hard Shell Wax
- Contains Real Carnauba Wax
- No Prewashing Is Required
- Great On Chrome And Windows

Description

Clean and Shine is a High Grade product specially formulated to wash and wax any metal surface. Clean and Shine is an excellent car wash and leaves a hard shell wax finish that provides long lasting protection from acid rain, UV damage and everyday dirt and road grime. Apply Clean and Shine to any dirty metal surface. Prewashing is not required.

Applications

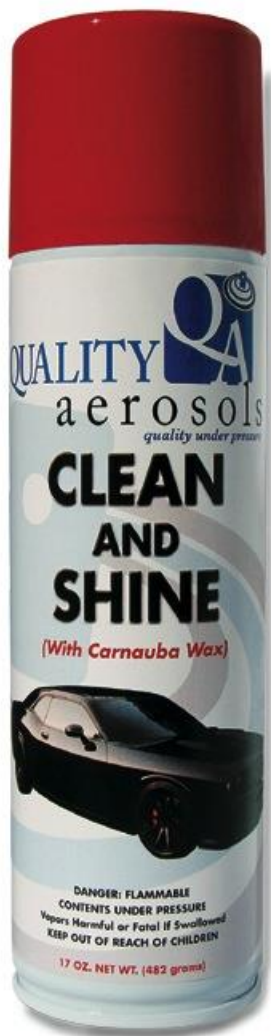

Applies to any dirty metal surface. Works great on Chrome and Glass. Works great on older cars, trucks and bikes when there is UV damage and really heavy oxidation.

Directions

Shake can before use for approximately 30 seconds. Apply a light coat of Clean and Shine on the car finish. Apply a heavier coat for extremely dirty cars. Let set for 30 seconds, rub into finish and let set for 30 more seconds or until finish hazes. Then buff out with a clean micro fiber cloth. Re-apply as often as you like. Will not harm paint, all chrome, and all types of wheels from aluminum to painted wheels. Just be ready to be the envy of the neighborhood.
